

INTRODUCTION :-

Tea Digest 1992 is the second publication in the series published by Statistics Branch, Tea Board, Calcutta. Encouraged by the response received from tea industry & Trade in respect of first publication viz; Tea Digest 1991, attempts have been made to provide current information as far as practicable in this issue also for use of tea industry and trade. This issue is more or less on the same line as the first one though some additions and alterations have been made here and there. However, most of the information incorporated in this publication are indicative in nature and will be replaced by the revised figures and would be re-incorporated in the subsequent issue of Tea Statistics as and when published.
