Ref. No. 12(17)/LC/2008/Part-II/

Dated 28.01.2021

CIRCULAR

The undersigned is directed to refer to the Public Notice Ref. No.12(17)/LC/2008/Part-II/11720 dated 17.09.2018 published along with a draft factory list inviting objections of the manufacturers in case of any discrepancy regarding installed capacity in the draft list.

On compiling objections received from various manufacturing units and subsequent field verification reports received from Tea Board's zonal and regional offices, the list of the factory has been updated with their present installed capacity.

Accordingly, a list of all tea manufacturing units registered with Tea Board across India as on 31.12.2020, including the factories published in the above mentioned Public Notice, has been enclosed herewith for information of all concerned.

The individual manufacturing units should henceforth refer to this list in respect of their approved installed capacity. Any further enhancement in the existing capacity of a manufacturing unit should be done after obtaining prior approval of Tea Board as per provision contained in the Tea (Marketing) Control Order, 2003 (TMCO, 2003) and the guideline in force.

Encl: As stated
