Dated: 19th June, 2020

CIRCULAR

This is in continuation to our earlier circular reference no Circular/LC/Auctions/2020-21 dated 18th April, 2020 on the above mentioned subject. In this regard, I am directed to reiterate Clause No 2(y) of the Tea (Marketing) Control Order, 2003 which states that “Made Tea means tea which conforms to specifications for the tea as laid down under the Prevention of Food Adulteration Act, 1954 (presently known as FSSAI) or any other law for the time being in force”. Therefore, all registered manufacturers are once again advised to manufacture teas strictly compliant to FSSAI parameters. The exporters are also hereby advised to strictly export teas which are fully compliant to FSSAI norms.
