Tender No.

05(09)/2019/PROM/Revised

Dated: 21st May, 2019.

CPP Portal Tender ID: 2019_TBI_475592_1

Sl. No.	Section	Amendment
1	Page 6, Point No. 3, Eligibility of Bidders	The following 2 new points are being added in the Eligibility Criteria: (i) It is mandatory for the Bidders to have their own in-house state-of-the-art Tea Packaging Unit having all the requisite facilities for cleaning, sorting, grading, packaging etc. of the teas. The Packaging facilities owned by the Bidders will be examined by Tea Board officials by visiting the packaging plant on-site. (ii) It is mandatory for the Bidders to submit their quotations for <u>ALL</u> the goods and services mentioned in the Tender document, and fill in all the corresponding Financial Bids/BOQs. Failure to comply with this point will result in disqualification of the Bidder. (iii) All the tea samples submitted/teas supplied by the Bidders should score an average of 6 or more than 6 marks out of 10 in the parameters of organoleptic tasting as decided by the Panel of Expert Tea Tasters appointed by Tea Board. (iv) In case the teas from a particular tea garden/estate owned by a Successful Bidder is selected by the panel of expert tea tasters appointed by Tea Board, then the average prices bagged by that particular tea in the last auctions will be considered for payment of bills for the purchase of bulk teas from that particular Bidder.

2	Page 14, Point no. 7.1.i) Supply of Bulk Tea	The loose teas/bulk teas will have to be supplied in 20 kgs HDPE bags. Please upload a separate PDF entitled 'Price Bid for HDPE Bags – Cost of per unit of 20 kgs HDPE bag' in the folder for uploading the Financial Bids in the CPP portal. Please note that no Financial Bid/Price Bid should be uploaded in the folder marked Technical Bids on the CPP Portal as this will lead to disqualification of the Bidder. Therefore, the Price Bid PDF should be uploaded in the Financial Bid section only.
3	Page 14, Point no. 7.1.i) Supply of Bulk Tea	For Masala Chai, the Vendor must indicate the price per kg as it is a blend of different teas and spices and the pricing cannot be determined on the basis of submission of original bills for purchase of the teas from the specified tea gardens/estates. Therefore, the Bidders are requested to upload a separate PDF entitled 'Price Bid for Masala Chai – Cost of per kg of Masala Chai' in the folder for uploading the Financial Bids in the CPP portal. Please note that no Financial Bid/Price Bid should be uploaded in the folder marked Technical Bids on the CPP Portal as this will lead to disqualification of the Bidder. Therefore, the Price Bid PDF should be uploaded in the Financial Bid section only. Both L1 and L2 Bidders shall submit 3 samples of Masala Chai which will be tested by the Panel of expert tea tasters appointed by Tea Board, and the best sample out of these 6 samples submitted by the Bidders will be accepted as the standard and orders will be placed on the basis of this accepted sample. The lowest price quoted for Masala Chai by the Bidders will be accepted and payment will be made to both the selected L1 and L2 Bidders on the basis of this accepted lowest quote.
4	Page 24, Point no. 7.2 Packing of Tea Foil envelope specification for individual foil sachets (each sachet containing 1 tea bag with 2 gm of tea)	The following addition is being made: The sachets will be printed in 4-colour.
5	Form 8 (Financial Bid-II/BOQ-II)	Packaging in Nylon Pyramid Tea Bags (for Darjeeling Tea) and Heat Sealed Filter Paper Tea Bags – For the paper Tea Bags, the following amendment is being made: Double chamber tea bags (staple-free) in non-heat sealed filter paper (non porous). In the Footnote – Amendment The rate for packaging in large size metal cadies should be per tea caddy, inclusive of cost of packing in heat-sealed foil packets (each pack containing 30 tea bags).
6	Form 9 (Financial Bid-III/BOQ-III)	In the Footnote a Amendment The rate for packaging in the metal tea caddies should be inclusive of the cost of manufacturing per tea caddy, cost of packing in heat-sealed foil packets (each pack containing approx. 25 gms of tea).

7	Form 10 (Financial Bid-IV/BOQ-IV)	Packaging in Nylon Pyramid Tea Bags (for Darjeeling Tea) and Heat Sealed Filter Paper Tea Bags in Small Size Metal Tea Caddies (containing 15 tea bags, each tea bag having 2 gms of tea) The following amendment is being made: Packaging in Nylon Pyramid Tea Bags (for Darjeeling Tea) and non Heat Sealed Filter Paper Tea Bags in Small Size Metal Tea Caddies For the paper Tea Bags, the following amendment is being made: Double chamber tea bags (staple-free) in non-heat sealed filter paper (non porous).
8	Form 15 (Financial Bid-IX/BOQ-IX)	The L1 Percentage of the Airway Bill charged as Service Charges (per consignment or invoice) shall be accepted and this L1 Percentage will be counter-offered to both the L1 and L2 Bidders for the overall services mentioned in this Tender. The Bills for Clearance and Forwarding of Tea Board's consignments shall be paid on the basis of this accepted L1 percentage (Payment will be made on the basis of the actual airway bill submitted by the Airlines/Courier company/Forwarding Agent through Airport-to-Airport or Door-to-Door delivery mode + L1 percentage of the Airway bill charged as service charges).
9	Common Amendment throughout the Tender Document	Please note that the vendors are required to package/manufacture only two sizes of caddies: (i) Large size - Finished Can Height :- 155 mm Finished Diameter of the Can:- 75mm Finished Diameter of the Can:- 75mm (ii) Small size - Finished Can Height :- 115 mm Finished Diameter of the Can:- 67mm Finished can without Lid :- 102 mm All references in the Tender document or Price Bids mentioning 'Medium size caddies' should be construed as Small size caddies having the above-mentioned dimensions.
